Seed Financing & Strategic Milestones

*Point Reyes Sound is raising a **$750,000 seed round** on a post-money valuation cap of **$6M**.*

Capital Allocation ($750,000)

- Compiler Engineer Hire: $400,000 (53%)
- Productionize Solver: $200,000 (27%)
- Pilot Infrastructure: $150,000 (20%)

+$75,000 Federal Grant Allotment

Non-Dilutive Federal Award

SEED FINANCING ROUND

$750,000 on $6.0M Cap

SEED ROUND

01 **Full-Time Compiler Engineer Hire:** Dedicated kernel engineer.

02 **Productionize Open-Source Solver:** Package core shared library (`libqbescf.so`).

03 **3 Pilot-Ready Deployments:** Foundry partners in sub-2 nanometer transistor architectures.
